This certificate, its scope and validity are subject to the terms, conditions and requirements specified in the “Reglamento de Evaluación y Certificación de la Seguridad de las T.I.C.” at PRE/2740/2007, September 19th.

The above-mentioned Security Target and Certification Report are available at the National Cryptologic Centre.

Madrid, September 16th 2015
Secretary of State Director

Félix Sanz Roldán

The IT product identified in this certificate has been evaluated at an accredited and licensed/approved evaluation facility using the Common Methodology for Information Technology Security Evaluation, version 3.1.R4, for conformance to the Common Criteria for Information Technology Security Evaluation, version 3.1.R4. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete Certification/Validation report. The evaluation has been conducted in accordance with the provisions of the SP IT Security Evaluation and Certification Scheme, PRE/2740/2007 September the 19th, and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by the Scheme or by any other organisation that recognises or gives effect to this certificate, and no warranty of the IT product by the Scheme or by any other organisation that recognises or gives effect to this certificate, is either expressed or implied.
